

## Urosepsis

**\*There is NO CODE in ICD-10 for **Urosepsis**\***

**Documenting the term “**urosepsis**” is ambiguous and nonspecific for coding purposes**

### **Option 1:**

- **UTI only**

### **Option 2:**

- **“Sepsis secondary to UTI” (if patient meets clinical criteria for sepsis)**

<b>NO SOI (not sick)</b>	<b>LOW SOI (sick)</b>	<b>HIGH SOI (very sick)</b>
<b>Urosepsis</b>	<b>UTI</b>	<b>Sepsis secondary to UTI</b>

**This tip will help reflect severity of illness (SOI) and have your patient appear as sick on paper as they are in the bed.**
